Jon Ingerson of Windy Meadows, LLC who leases a farm on the Lane property submitted a presentation to the Board regarding his pig farm. He never applied for a permit and said he was not aware he needed one until Mayor Smith visited the property as posted signs clearly present that the farm is in the Town with "Right to Farm" in effected post. He apologized and will obtain the proper permit. Mr. Ingerson now has 64 pigs and plans to have at least 100. Motion made by Trustee Chaplin, seconded by Trustee Watson to issue a permit allowing the pig farm with the stipulations that 200 pigs would be the maximum, 45' setback variance of the 1937 ordinance was waived and the permit is to be renewed annually, all voting in favor,
