REGULAR TOWN BOARD MEETINGS

A regular town board meeting is one in which the town board meets once a month at a fixed time and place throughout the year to conduct town business. In the case of the Town of Whitehall, regular town board meetings will be held once a month on the third Wednesday of the month at 7:00 PM. The board will audit the bills prior to the meeting between 6:30 and 7:00 PM.

NOTICE OF REGULAR TOWN BOARD MEETINGS

After the town board establishes by resolution a regular fixed time and place for its meetings throughout the year, no other notice need be given to the members of the board. The Town Clerk is authorized by the Town Board to publish one Public Notice for the year stating the day, time and place for all regular Town of Whitehall Board Meetings.

RULES OF CONDUCT AT A REGULAR TOWN BOARD MEETING

- The supervisor, when present, shall preside and act as chairperson. In his/her absence, his/her deputy shall act for him/her.
- Members of the board are to be recognized by the chairperson before addressing the rest of the board or the public.
- No member of the public shall be permitted to address the town board unless recognized by the chairperson. In that event, the person must identify himself/herself by clearly stating his/her full name and address and then stating the nature of his/her business.
- A period of 10 minutes will be set aside at the start of each meeting for public comment or questions. Members of the public will be given 5 minutes each to ask

their question or make their comment. A sign-in sheet will be located on the table for those attending the meeting.

- The chairperson may set a limit on the time on each occasion which each member of the public addresses the board.
- Persons speaking to the town board with the consent of the chairperson shall address their remarks to the town board, not to other members of the audience.
- No such person has the right to demand an answer to a specific question from a member of the board. All such questions shall be directed to the chairperson, who may either answer them or refer the questions to a board member or the attorney for the town, if present. The answer may be deferred and subject to further review or study and answered at a later date.
- No member of the public or board shall engage in any demonstration, booing, hand clapping, or otherwise disrupt the formality of a town board meeting.

TOWN BOARD RESOLUTIONS

The adoption of resolutions is the most frequent type of formal action taken by the town board in its legislative and administrative capacities. Resolutions are often confused with motions. The latter are the vehicle by which resolutions are brought before the town board for action. The two can be used interchangeably. Typical examples of actions that require resolutions are as follows:

- Transferring money from one budget to another
- Establishing a salary
- Designating depositories
-

TOWN BOARD VOTING AT A TOWN BOARD MEETING

The voting on every issue requiring a resolution, ordinance, or law shall be “ayes” and “nays” and the names of the members present and their votes shall be entered in the minutes of the town board.

- The supervisor is a member of the town board and therefore must vote. He/she may also move or second resolutions.
- The town clerk or (in his/her absence) his/her deputy calls a roll of town board members on every issue in question before the town board.
- The town clerk must take minutes and keep a record of all proceedings of the board meetings, even though he/she is not a board member and does not have a vote.

REGULAR TOWN BOARD MEETING AGENDAS

- A preliminary agenda will be developed by the supervisor and/or board members prior to the meeting and published via posting on the town signboard.
- Because urgent issues may not be presented to the board until shortly before the meeting, a final agenda may not be adopted by the supervisor until shortly before the meeting.
- No additional matters are to be considered until each matter on the agenda has been acted on by the town board.

Members of the public are invited to bring an issue, questions, or comments before the board in one of the following ways:

1. By written request to be put on the formal agenda at least five business days before the scheduled regular board meeting, or
2. By addressing the board at a segment set aside per the agenda at the end of the meeting specifically for that purpose. The supervisor may set a time limit for each speaker.
3. Members of the news media may have ten minutes at the conclusion of the meeting to ask questions concerning matters presented at the board meeting.

MINUTES OF REGULAR TOWN BOARD MEETINGS

The town clerk, when present, will record the minutes of the meetings proceedings as prescribed by law and shall make such minutes available within two weeks of the meeting. In the absence of the town clerk, his/her deputy or another person appointed by the board shall take his/her place.

TOWN BOARD WORK SESSIONS

A town board work session is held to discuss and deliberate matters that are coming up at the next regular board meeting, special meeting, or public hearing. No votes will be taken at work sessions. As with all public meetings, the public is free to attend these sessions, but are not to participate or ask questions. Members of the board are expected to attend work sessions when called for by the supervisor.

PUBLIC HEARINGS BY THE TOWN BOARD

A public hearing is a meeting of the town board and the public regarding an important issue that may have a significant economic, environmental, or other serious impact on the town and its residents.

- The purpose of a public hearing is to give the public an opportunity to express its views.
- The public has a right to appear and give evidence and the right to hear and examine witnesses regarding the issue at hand.

NOTICE OF PUBLIC HEARINGS

The supervisor will give notice of public hearings in writing to the board and the town clerk ten days before the hearing, when possible. The town clerk will then post a notice of the hearing in at least one public location and will give notice to the news media at least 72 hours prior to hearing.

RULES AND CONDUCT OF PUBLIC HEARINGS

1. Comments and Questions

- Oral Comments. The town clerk will maintain a sign-in-sheet at the table for each person who wishes to make oral comments. Anyone who wants to do so must enter his/her full name and address on the sheet, in the spaces provided. ANYONE NOT

SIGNING THE SIGN-IN-SHEET WILL NOT BE PERMITTED TO ADDRESS COMMENTS TO THE BOARD.

- **Questions.** The chairperson will entertain questions from the floor. Questions will be for the sole purpose of obtaining information about the subject matter of the public hearing or clarifying its provisions. Questions shall not have the intent of provoking a debate between the questioner and the Town Board or any individual in the audience.
- **Written Comments.** The Town Board will accept written comments on the subject matter of the public hearing PROVIDED ALL WRITTEN COMMENTS ARE GIVEN TO THE CHAIRPERSON BEFORE THE CLOSE OF THE MEETING.

PRESENTATION OF COMMENTS AND QUESTIONS

Presiding Officer, the Town Supervisor or designee will preside over the public hearing, and act as Chairperson. In his/her absence, the Deputy Town Supervisor or designee will act as Chairperson.

GROUND RULES FOR THE PRESENTATION OF COMMENTS

The purpose of the public hearing is to gather public comment (on subject of Public Hearing). The Board encourages all in attendance to offer comments and ask questions. However, a successful public hearing requires that some simple ground rules be followed. These ground rules will ensure that all in attendance are treated in a respectful and courteous manner, and that all who desire to speak will have the opportunity to be heard:

- No one may speak unless recognized by the Chairperson for that purpose. Upon recognition, the person must identify him/herself by clearly stating his/her full name and address.
- Anyone choosing to speak must address his/her remarks to the Town Board, and not to other members of the audience. Any debate between those “for” and those “against” the proposal must be strictly avoided.
- Oral comments can generally be delivered in 5 minutes. If there are a large number of persons wishing to speak, the Chairperson reserves the right, in his sole discretion, to strictly enforce the 5-minute rule, so that all who wish to speak will have the opportunity to do so.
- The Town Board is here to listen to the public’s comments, and to answer questions about only the matter at hand. The Board is NOT here to express its own views or opinions thereon. The Board will NOT participate in a debate of the issues. We want your advice and assistance in coming to the proper conclusion on the issues involved. If you are in favor, simply tell us and give us your reasons why; and likewise, if you are opposed.
- No person has the right to demand an answer to a specific question from a member of the Board. As noted earlier, questions should seek clarification and information and should not lead to a debate on the issues. All questions are to be directed to the Chairperson, who may either answer or refer to a Town Board member or the Attorney for the Town. The answer may be deferred and subject to further review or study and answered at a later date.
- No member of the public or Town Board shall engage in any demonstration, booing, handclapping, or otherwise disrupt the formality of the public hearing.

The Town Clerk will be responsible for ensuring that these rules are followed. ANYONE VIOLATING ANY OF THESE GUIDELINES WILL BE ASKED TO REFRAIN FROM DOING SO, AND MAY, IN THE SOLE DISCRETION OF THE CHAIRPERSON, BE ASKED TO LEAVE THE PUBLIC HEARING.

SPECIAL TOWN BOARD MEETINGS

Special town board meetings may be called by the supervisor at any time for urgent or lengthy issues or for any other important reason determined by the supervisor. Notice of special town board meetings and rules of conduct are the same as for public hearings.

EXECUTIVE SESSIONS

Executive sessions may be held only after an open meeting is convened and a motion to hold an executive session, identifying the area or subject to be considered in such Executive session is adopted by the majority vote in the open meeting.

Executive Session matters are restricted to:

- A matter which will imperil the public safety if disclosed.
- A matter which may disclose the identity of a law enforcement agent or informer.
- Information with respect to investigation or prosecution of a criminal offense which would jeopardize effective law enforcement if disclosed.
- Discussions relating to litigation.
- Matters relating to collective negotiations under the Taylor Law.
- Medical, financial, credit or employment history of a particular person or corporation, relating to appointment, promotion, demotion, discipline, or removal.
- Preparation, grading, or administration of examinations.
- Acquisition, lease, or sale of real property or securities when publicity would substantially affect the value.

Attendance is restricted to town board members and any other persons authorized by the board.

MINUTES OF EXECUTIVE SESSION PROCEEDINGS

Summary minutes must be made of any final determination taken by formal vote, including the date and the vote thereon; however, such summary should not include any matter which is not required to be made public under the Freedom of Information Law. Such summary minutes shall be available to the public within one week from the date of executive session. If no formal action was taken in executive session, then no executive session minutes' need be taken.
